Sample #5

Text-Enable a Phone Number

Choose to enable text messaging on an existing landline or VoIP phone number, or to set up a new text-only number.

Existing Number

Enter an existing landline or VoIP phone number that will be enabled for text messaging.

New Number

Text-enable a new phone number which will not be voice enabled.

Messaging Plan

Choose the messaging plan that's right for your business.

FINE PRINT

All plans include one text-enabled phone number and one user. On the Advanced and Pro plans, there is an additional charge for each additional phone number and/or user on the account. Overage charges apply to each message sent over the plan limits.
